

CNC PROFILE CUTTING MACHINE

(OPTIONS FOR CUTTING DIFFERENT MATERIALS)

Option 1:

CNC Router with Hot Knife Attachment

- The hot knife shown above comes attached with the machine.
- Material that can be cut: Thermocol, EPS Foam, PE foam.
- Price for 0.5mx0.5m machine: Rs.75000/-, 1mx0.5m machine: 99000/- (18% GST +Packing and forwarding+ Freight + Installation and training extra).
- Multiple Hotknife option for faster design cutting: 25K extra (4 hotknife with mounting arrangement& Transformer heat control).
- Maximum thickness it can cut: 3"

Thermocol

Option 2:

CNC Router with Dremel Spindle (Light duty) attachment

- The Dremel tool shown above comes attached with the machine.
- It can cut Thermocol, Coroplast, Foamboard and other soft materials.
- Both 2D and 3D designs can be cut.
- Price for 1mx0.5m machine: Rs.150000 + VAT/CST + Packing and forwarding+ Freight+ Installation and training.

Coroplast / Flute board

EPS

Thermocol

PU Foam

Option 3:

CNC Hot Wire

- It can cut big blocks of Thermocol, EPS Foam in the desired shape.
- 2D Cutting only.
- Price for 2'X3' machine: Rs.2,00,000 + VAT/CST + Packing and forwarding+ Freight+ Installation and training
- Price for 4'X4' machine single wire: Rs.3,00,000 +18% GST + Packing and forwarding+ Freight+ Installation and training. Multiple wires (10 wires): 1 Lakhs extra. 8'x4' size: 1 Lakhs extra.
- Gantry attachment for HotKnife, Hotscoop : 75K extra, Vertical strings option : One lakhs extra, RotoScoop option : One lakhs extra.

4-side pillar

8-side pillar

corner pattis

kumb/kalash/gumti array

Option 4:

- CNC Router with heavy duty spindle attached.

- The Bosch Router shown above or the Skill Router comes attached with the machine.
- It can cut a wide variety of materials like
 1. All types of wood
 2. Plastics, Acrylic
 3. ACP
 4. Thermocol
 5. PU Foam
 6. Non-ferrous metals like Aluminium, Copper, Brass etc,
- Both 2D and 3D designs can be cut.
- Price for 2'X2' machine: Rs.250000 + GST + Packing and forwarding + Freight + Installation and training.
- Price for 4'X4' machine: Rs.350000 + GST + Packing and forwarding + Freight + Installation and training.

Thermocol

PU Foam

Coroplast / Flute board

Industrial Applications

EPS

Switch Board Cutting

You can choose any of the combinations from the above options or any single option as well. Price varies accordingly depending on the options chosen.

Option 5:

CNC Router with Heavy Duty Spindle and Hotwire (**Option 3 + Option 4**) in one machine.

- Price for 4'x4' machine: Rs.475000 + GST + Packing and forwarding + Freight + Installation and training.
